PORTFOLIO

JOSEPH MARSHALL

AUDIO PRODUCTION GRADUATE

PROFILE

BA (Hons) Audio Production & Music Technologies graduate (2:1, University of Chichester) with hands-on experience across the audio chain: location sound recording, boom operation, dialogue editing, Foley, ADR, sound design and mixing to broadcast loudness standards, plus video editing and export in DaVinci Resolve within picture-post work. Used to working to a brief, to timecode and to deadlines, independently and in teams.

Seeking a career in audio post-production, game audio and media composition. Resident in Buckinghamshire.

PRODUCTION & POST-PRODUCTION SKILLS

- **Picture & Post:**
  - Dialogue Editing, Session Prep, Noise Reduction, Loudness Standards (LUFS / EBU R128), Sync to Picture, Working to Timecode, Video Editing and Export
- **Location & Field Recording:**
  - Boom Operation, Location Capture, Foley and ADR Recording, Sound Library Creation
- **Studio & Mixing:**
  - Microphone Placement, Signal Flow, Multi-instrument Recording, Live Mixing, Dynamics and EQ, Mixbus Processing
- **Sound Design & Ambience:**
  - SFX Creation, Layering, Processing, Environmental Beds
- **Game Audio:**
  - Wwise integration, RTPCs, dynamic implementation, adaptive music
- **Delivery:**
  - 48 kHz / 24-bit • AAF / OMF / XML interchange • LRA metering

WORK EXPERIENCE

Football Coach, Little Kickers

March 2024 – May 2026

- Planned and delivered structured sessions, collaborating with colleagues to keep quality consistent.
- Adapted activities in real time for different ages, abilities and circumstances.
- Communicated daily with parents, children and management, the same client-facing skill needed to interpret a brief.
- Ran multiple classes with fast transitions in a fast-paced setting.

EDUCATION

BA (Hons) Audio Production & Music Technologies

University of Chichester · 2023–2026 · Upper Second-Class Honours (2:1)

Focus: Audio Post-production, Game Audio and Media Composition.

Key Projects:

- **Complete Film Audio Redesign (dissertation):**
  - Redesigned the entire audio for three short film scenes, covering dialogue, sound effects, music and final mixing.
- **Drama Episode Audio Post-Production (solo):**
  - Sole post-production mixer, taking the episode from raw audio rushes to a broadcast-ready mix.
- **Interactive Game Audio Design & Implementation (Wwise)**
- **Film Scene Music Composition**
- **Cathedral Bells Field Recording & Editing**

A Levels, Pinner High School, 2021–2023

Biology B · Chemistry C · Music C · Physical Education C
